Medicare Information - A Beneficiary is considered a "Retiree"

Medicare information must be provided for anyone covered under your Retiree group policy who is eligible for Medicare due to age (age 65) or disability (any age). Medicare-eligible individuals who do not carry both Part A (Hospital) and Part B (Medical) will be responsible for paying the amount that Medicare would have paid (approximately 80% of all eligible services). For example, a Medicare-eligible Retiree who incurs a \$100.00 Part B claim and does not carry Part B, will be responsible for paying the amount that Medicare Part B would have covered (approximately \$80.00). Medicare rules for End Stage Renal Disease (ESRD) differ; call the Employee Benefits Division for more information. **NOTE: Medicare Part D (Prescription drug) is voluntary. See the Notice of Creditable Coverage for the State's prescription drug plan in the Benefits Guide.**
